

PRIVACY NOTICES

1. WEBSITE VISITORS

We collect technical information (like your device IP address), details you send us in forms, and cookies that help the site work. We use this to run the website, fix problems, reply to messages, and keep the site secure.

We do not sell your information.

You have the right to see, correct, or ask us to delete your information.

2. COUNCILLORS

We collect names, contact details, declarations of interest, and photos (if agreed). We publish your name, role, and some contact details so residents can reach you. We keep some records permanently because the law requires it.

3. STAFF

We collect contact information, payroll details, emergency contacts, training records, and health information when needed. We use this to pay you, meet employment law, and keep you safe at work.

4. VOLUNTEERS

We collect names, contact details, emergency contacts, and any health information needed for safety. We use this to organise activities, ensure safety, and manage insurance.

5. CEMETERY / ASSET HIRE / COMMUNITY SERVICES

We collect contact details, payment information, and service application details so we can manage bookings and cemetery records (which must be kept permanently by law). The cemetery details are held by a committee made up of councillors from ODA PC and Ashby Woulds Town Council.

YOUR RIGHTS

You can ask us to: see the information we hold, correct it, delete it (unless legally needed), or change how we use it.
