## Parish Council Report

March 2022

The council meeting this month again saw members of the public attend, which we always welcome and encourage.

It was again a shame not to have police present, but they did send a report of crimes on the beat and have advised that the presence in the Parish has been increased. They have also reminded everyone that the best way to report new crimes is online - anyone can register and this should assist in ensuring the correct response is made.

The Parish Council has now finally handed over operational running of the Leisure Centre at Oakthorpe to ME Sports. Keep an eye on Facebook for updates on the rebranding and refurbishment plans.

The Council has been very proud of and humbled by the efforts of the volunteers in Donisthorpe who rallied to support the donation of supplies to Ukraine. We send our thanks to the organisers and everyone who made donations.

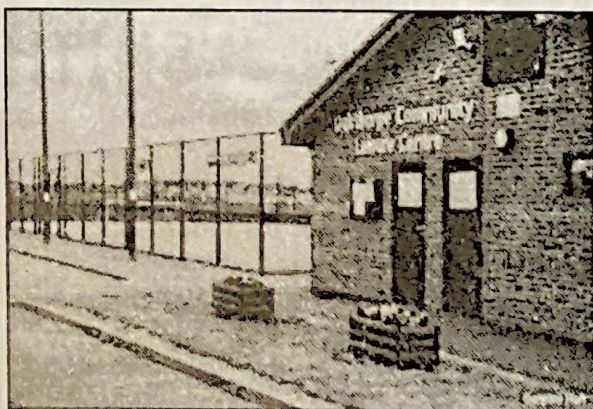

Oakthorpe residents should by now have received a leaflet regarding the Methodist Church and we are encouraging everyone to offer feedback to keep this vital asset within the community.

Every year the Council holds an annual Parish meeting. This is a meeting that we will attend and provide refreshments for. All local community groups and organisations come together to share successes and offer an insight into their plans for the future. We hope that one of our local groups has a willingness to set this meeting up and that all other groups can come along. The meeting must take place between 1st March and 1st June.

Please see the ODA Parish Council website for full minutes, or consult the notice boards in our three villages. Meetings take place on the second Wednesday of the month at Oakthorpe Leisure Centre. Our next meeting date is detailed below - all are welcome to attend.

Hope to see you there.
