

Oakthorpe Donisthorpe & Acresford Parish Council

2 September 2014 · 🌐

The photographs show a suggested site for a development of approximately 20 houses on Chapel Street Donisthorpe.

The proposal was made to the Parish Council on behalf of Davidsons. Drainage and access issues were discussed.

No planning application has been submitted, so the Parish Council is unable to formally comment. We are aware that this proposal will upset many parishioners and the vendor has been informed of this.

We now await formal planning . [See less](#)
